Dear Ms Tregoning

Re: New Reporting and Waste Levy Requirements

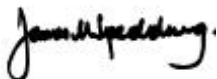

Thank you for your letter of 7 October and your follow up email to Andrew Kosciuszko.

We note on behalf of our members the new reporting requirements and the separation of reporting and payment dates.

We were most concerned with the first communication – as it appeared to shorten the payment terms – and are relieved to see that in fact the terms are unchanged.

The payment of levies before receipt of monies from clients is a major problem for our industry- I attach our latest position on levies for your information – and as such we are keen to discuss finding a process that will allow our members to receive a levy 'credit' for legitimate bad debts.

Yours sincerely
