Dear Mr Sweet

Draft Landfill Licensing Guidelines

Thank you for your letter of 2 March 2023 about the draft *Landfill Licensing Guidelines* including appendix 11.

The guidelines are in the early stages of drafting. An exposure draft has been provided to several environmental auditors so the Environment Protection Authority Victoria (EPA) can test preliminary thinking on some technical issues. The comments made by Australian Landfill Owners Association (ALOA) have been gratefully received by the drafting team.

Once a consolidated draft is ready, EPA will formally engage all stakeholders including through the www.engage.vic website. EPA will ensure ALOA has ample opportunity to consider and make submissions on the draft.

I look forward to meeting with you and Mr Daniel Fyfe on 6 April 2023 at 2.00pm to discuss further.

In the meantime, if you would like any further information, please contact Mr Con Lolis, Director Permissioning and Development at con.lolis@epa.vic.gov.au or 0467 725 063.

Yours sincerely

Lee Miezis
Chief Executive Officer
